Kit, our eldest, is 6 years old today! Thank you so much for the skateboard, he loves it and immediately took it out for a spin (with knee pads and elbow pads on, of course). We will keep you up to date with his progress, thank you again nan, lots of love

There is a gazette specially created for residents with sight problems. This type of gazette doesn't have the full page option, but a larger font size and one message per page.
